

Kerrigan Travens #1

Reno Diamonds '92

"Softball is my game, and it is also my future. My main goal is to get a scholarship to a division I College. For the next 3 years in High School I would like to set school records and make 1st team for all of those years. I want to get recognized and work hard to improve my skills and be as good as I can possibly be. I would also like to get a good education and one day become involved in forensics. I'm willing to work hard and keep my grades up to keep softball in my future and excel in it."
